(X4) ID PREFIX TAG	SUMMARY STATEMENT OF DEFICIENCIES (Each deficiency must be preceded by full regulatory or LSC identifying information)		
<p>F 0688</p> <p>Level of Harm - Minimal harm or potential for actual harm</p> <p>Residents Affected - Few</p>	<p>A Physician Order, dated 10/08/24, documented restorative nursing care for mobility.</p> <p>The October 2024 nursing rehab documentation for Resident #3, read in part, .CNA to assist with Transfers, using Gait Belt and staff assist, have resident sit on side of bed, push up from bed with arms. When standing, support self with wheelchair and pivot towards wheelchair. When in position, using arms of wheelchair to support, lower self down. Repeat steps for at least 15 minutes a day as tolerated, for at least 6 days a week . It documented the resident received 15 minutes of rehab eight times and five minutes of rehab twice.</p> <p>On 10/16/24 at 11:05 a.m., LPTA #1 stated Resident #3 was receiving skilled services on admission. They stated the resident's insurance changed and it would no longer cover therapy serviced. LPTA #1 stated Resident #1 needed therapy.</p> <p>On 10/17/24 at 9:45 a.m., Resident #3 stated they had received therapy at the facility for a few days. They stated they were no longer receiving therapy due to insurance. Resident #3 stated they could stand with assistance. The resident did not mention restorative therapy services.</p> <p>On 10/17/24 at 11:34 a.m., the DON stated the facility had a restorative aide, but the aides on the floor also assisted with restorative services. The DON provided documentation of Resident #3's nursing rehab started on 09/12/24.</p> <p>On 10/17/24 at 11:48 a.m., the restorative aide stated Resident #3 required two-person assistance for transfers with a gait belt. They stated they had a list of residents who received restorative services. They stated a CNA could provide restorative services to the resident. The restorative aide stated the NA charted for Resident #3's nursing rehab might have been because the resident did not want to do it. They stated, I don't know why they didn't mark refused.</p> <p>On 10/17/24 at 1:15 p.m., LPN #1 stated Resident #3 was a one to two person assist with transfers.</p> <p>On 10/17/24 at 1:18 p.m., LPN #1 stated Resident #3 had experienced a stroke and required assistance with everything. They stated once the resident was up in the wheelchair they could move around independently.</p> <p>On 10/17/24 at 1:22 p.m., LPN #1 stated Resident #3 was on restorative care for mobility.</p> <p>On 10/17/24 at 1:35 p.m., the DON stated Resident #3's ordered therapy was before they came into the DON role. The administrator stated they believed the resident refused restorative at times. The administrator stated they did not know the reason NA was documented for the restorative therapy.</p>
