F 0609	Timely report suspected abuse, neglect, or theft and report the results of the investigation to proper authorities.				
Level of Harm - Minimal harm or potential for actual harm	**NOTE- TERMS IN BRACKETS HAVE BEEN EDITED TO PROTECT CONFIDENTIALITY** 45203				
Residents Affected - Few	Based on interview and record review, the facility failed to report to the state agency and/or log allegations of abuse/mistreatment by staff on the reporting log within five working days for 1 of 3 residents reviewed for abuse and neglect. This failure placed residents at risk for repeated incidents, unmet care needs and unidentified abuse and/or neglect.				
	Findings included .				
	<ul> <li>Review of Nursing Home Guidelines, The Purple Book, dated October 2015 showed on page 7 that the facility should report via telephone and via the reporting log any act where there is reasonable cause to believe the act caused fear of imminent harm.</li> <li>Review of the undated facility policy titled, Prevention and Reporting: Resident mistreatment, Neglect, Abuse ., showed that facility staff were to report to the Director of Nursing or Executive Director any allegation of abuse, neglect or mistreatment, who would then immediately report to the state agency. All alleged violations involving abuse or mistreatment would be reported within 2 hours of when the allegation was made and no later than 24 hours if the allegation did not involve abuse or serious bodily injury. The investigation should include review of all allegations of abuse and be documented in the electronic accident and incident report form.</li> <li>Resident 1 was admitted to the facility on [DATE] with diagnosis of left hip fracture.</li> </ul>				
	A (struck out) Incident note dated 09/29/2024 at 12:47am, by Staff C, Licensed Practical Nurse (LPN), showed they received a call from Resident 1's family member (FM) who was concerned due receiving several calls from Resident 1 reporting being abused and assaulted by staff and feeling anxious. Staff C went to Resident 1's room, accompanied by staff, and found the resident awake and on the phone with the police department, the resident became increasingly anxious and verbalized an account of being assaulted at approximately 8:00pm and reported that three aids aggressively forced her to bed and tortured her when trying to remove her pants, Resident 1 reported being shoved and handled inappropriately and was expressing fear for her life and requested transport back to the hospital. Staff C reported the allegation to Staff B, Director of Nursing (DNS), Registered Nurse (RN), and followed up with Resident 1's FM and law enforcement. Resident 1 was transported to ER via non urgent ambulance.
