

Welcome to Medicare!

You've joined the millions of Americans who have health care coverage through Medicare, a federal health insurance program run by the Centers for Medicare & Medicaid Services (CMS). We're committed to providing you with reliable, high-quality health care.

Your coverage

You're now enrolled in **Medicare Part A (Hospital Insurance)** and/or **Medicare Part B (Medical Insurance)**. Your coverage will start on the dates listed on your enclosed Medicare card. Most people don't need to pay a monthly premium for Part A. However, you do have to pay a monthly premium for Part B.

Important next steps

Read the enclosed brochure carefully to learn more about the important decisions you should consider **now**:

1. **Should I sign up for Part B if I haven't already?**
2. **How should I get my Medicare coverage? (Original Medicare or a Medicare Advantage Plan?)**
3. **Do I need Medicare prescription drug coverage (Part D)?**
4. **Do I need a Medicare Supplement Insurance (Medigap) policy?**

There are late enrollment penalties related to some of these decisions, so it's important to read the brochure for more information. The "Medicare & You" handbook has more details about your Medicare benefits and coverage choices. You'll get a copy in the mail soon. If you want to read it now, visit [Medicare.gov/medicare-and-you](https://www.Medicare.gov/medicare-and-you).

Before making any decisions, learn as much as you can about the types of coverage available to you. If you need more information, you can:

- **Visit the Medicare Plan Finder at [Medicare.gov/find-a-plan](https://www.Medicare.gov/find-a-plan).**
- **Call 1-800-MEDICARE (1-800-633-4227).** TTY users can call 1-877-486-2048.
- **Get personalized counseling about choosing coverage.** Visit [shiptacenter.org](https://www.shiptacenter.org), or call 1-800-MEDICARE to get the contact information.
