Stay Protected from COVID-19 – Medicare Covers the Vaccine

Medicare covers the coronavirus disease 2019 (COVID-19) vaccine and administration of the vaccine at no cost to you.

Talk to your doctor or local health department about getting the vaccine. Be sure to bring your red, white, and blue Medicare card with you, even if you're enrolled in a Medicare Advantage Plan. Your provider will need your Medicare Number to bill Medicare.

- Visit Medicare.gov for more information on Medicare coverage of the COVID-19 vaccine and other related services.
- Log into (or create) your secure account on Medicare.gov to print an official copy of your Medicare card.
- Visit CDC.gov/coronavirus for information on vaccines and steps you can take to keep yourself and others safe from COVID-19.
